

Karolina Martinkova

About me

My tourism background will tell you that I am good with customer focused roles. But my curiosity led me to multimedia design, where I discovered my love for creating. I am also very good at organizing, whether it's planning trips or events or managing creative projects. I love to learn new things and I am a fast learner.

Education

Vocational college of tourism and international trade, Prague (2022-2024)

Erhvervsakademi Sydvest, Esbjerg (2024-now)
